Pikes Peak Gay & Lesbian Community Center
P.O. BOX. 607 COLO.SPGS. CO. 80901

Attention Executive Committee :

First of all I would like to thank all of you for inviting me to serve on your board of directors the past 5 months. I had great hopes of starting an aggressive fund raising campaign and really making a difference for the Community Center and the people of our area.

At this time I wish to resign from the board of directors. And I also request my membership to PPGLCC be withdrawn.

Having countless enemies and few friends I believe it best to take my husbands advice and keep my big mouth shut and quietly go away. This really hirts as you were about the only sence of family and belonging I had in my life. Life goes on, someday I will get over this and stumble across a worthy cause to spend the mountain of free time and marketing skills I have on.

The gay & lesbian community is very lucky to have you, I think you are all very special people. I wish the Community Center only the best of luck in the coming future. !

Sincerely

Christy Hopping
